An early request to your sponsoring associate for a candidate place is important - best during September or October. Candidates will only be invited to attend the Bangkok-January Fair if we consider that they match the needs of the recruiters who will be at the fair and stand a real chance of being hired. About 50 - 60% of the fair attendees are expected to be offered contracts.

All candidates need to be free to attend the candidate orientation on Saturday, 10 January 2009, and also on following days of meetings and interviews. Candidates should arrange travel to enable arrival early Saturday, 10 January 2009 and departure not before the evening of Tuesday, 13 January, 2009.
